

COINCIDENCE POINTS FOR TWO PAIRS OF HYBRID MAPPINGS USING w -DISTANCE

K. P. R. RAO, SK. SADIK AND V. C. C. RAJU

Abstract

In this paper we obtain some coincidence point theorems for two pairs of hybrid mappings using w -distances.

Key Words : Weak distance, Coincidence points, Topological spaces.

2000 Mathematics Subject Classification: 47H10, 54H25.
