

A FIXED POINT THEOREM IN HAUSDROFF SPACE

RAJESH SHRIVASTAVA, ANIMESH, R. N. YADAV AND S. S. RAJPUT

Abstract

Many author established very interesting results of fixed point theorem in HAUSDROFF SPACE. In this paper we established some fixed point result by using Banach contraction principle, in hausdroff space.

Key Words : *Topological space, Hausdroff space, Continuous mapping, Banach contraction principle.*

2010 AMS Subject Classification : 47H10.
