

COMMON FIXED POINT THEOREMS FOR OCCASIONALLY WEAKLY COMPATIBLE HYBRID PAIR OF MAPPINGS

NAVAL SINGH AND REENA JAIN

Abstract

The aim of this paper is to obtain some common fixed point theorems for hybrid pairs of occasionally weakly compatible mappings in fuzzy metric spaces.

Key Words : *Fuzzy metric spaces, Hybrid maps, Occasionally weakly compatible pairs.*

2000 AMS Subject Classification : 54H25, 47H10.
