Abstract

In this paper, the authors intend to study some of the properties of Q -intuitionistic L -fuzzy subrings of a ring and prove some new results on these.

Key Words : (Q, L) -fuzzy subset, Q -intuitionistic L -fuzzy subsets, Q -intuitionistic L -fuzzy subring, Q -intuitionistic L -fuzzy relation, Product of Q -intuitionistic L -fuzzy subsets.

2000 AMS Subject Classification : 03F55, 08A72, 20N25.
